Subpart 208.4—Federal Supply Schedules

208.404 Use of Federal Supply Schedules.

(a)(i) Departments and agencies shall comply with the review, approval, and reporting requirements established in accordance with subpart 217.78 when placing orders for supplies or services in amounts exceeding the simplified acquisition threshold.

(ii) When a schedule lists both foreign and domestic items that will meet the needs of the requiring activity, the ordering office must apply the procedures of part 225 and FAR part 25, Foreign Acquisition. When purchase of an item of foreign origin is specifically required, the requiring activity must furnish the ordering office sufficient information to permit the determinations required by part 225 and FAR part 25 to be made.

208.405-70 Additional ordering procedures.

(a) This subsection—

(1) Implements Section 803 of the National Defense Authorization Act for Fiscal Year 2002 (Pub. L. 107-107) for the acquisition of services, and establishes similar policy for the acquisition of supplies;

(2) Applies to orders for supplies or services under Federal Supply Schedules, including orders under blanket purchase agreements established under Federal Supply Schedules; and

(3) Also applies to orders placed by non-DoD agencies on behalf of DoD.

(b) Each order exceeding \$100,000 shall be placed on a competitive basis in accordance with paragraph (c) of this subsection, unless this requirement is waived on the basis of a justification that is prepared and approved in accordance with FAR 8.405-6 and includes a written determination that—

(1) A statute expressly authorizes or requires that the purchase be made from a specified source; or

(2) One of the circumstances described at FAR 16.505(b)(2)(i) through

(iii) applies to the order. Follow the procedures at PGI 216.505-70 if FAR 16.505(b)(2)(ii) or (iii) is deemed to apply.

(c) An order exceeding \$100,000 is placed on a competitive basis only if the contracting officer provides a fair notice of the intent to make the purchase, including a description of the supplies to be delivered or the services to be performed and the basis upon which the contracting officer will make the selection, to—

(1) As many schedule contractors as practicable, consistent with market research appropriate to the circumstances, to reasonably ensure that offers will be received from at least three contractors that can fulfill the requirements, and the contracting officer—

(i)(A) Receives offers from at least three contractors that can fulfill the requirements; or

(B) Determines in writing that no additional contractors that can fulfill the requirements could be identified despite reasonable efforts to do so (documentation should clearly explain efforts made to obtain offers from at least three contractors); and

(ii) Ensures all offers received are fairly considered; or

(2) All contractors offering the required supplies or services under the applicable multiple award schedule, and affords all contractors responding to the notice a fair opportunity to submit an offer and have that offer fairly considered.

(d) See PGI 208.405-70 for additional information regarding fair notice to contractors and requirements relating to the establishment of blanket purchase agreements under Federal Supply Schedules.

Subpart 208.70—Coordinated Acquisition

208.7000 Scope of subpart.

This subpart prescribes policy and procedures for acquisition of items for which contracting responsibility is assigned to one or more of the departments/agencies or the General Services Administration. Contracting responsibility is assigned through—

(a) The Coordinated Acquisition Program (commodity assignments are listed in PGI 208.7006); or

(b) The Integrated Materiel Management Program (assignments are in DoD 4140.26-M, Defense Integrated Materiel Management Manual for Consumable Items).

[56 FR 36306, July 31, 1991, as amended at 67 FR 77936, Dec. 20, 2002; 71 FR 39004, July 11, 2006]

208.7001 Definitions.

For purposes of this subpart—

Acquiring department means the department, agency, or General Services Administration which has contracting responsibility under the Coordinated Acquisition Program.

Integrated materiel management means assignment of acquisition management responsibility to one department, agency, or the General Services Administration for all of DoD's requirements for the assigned item. Acquisition management normally includes computing requirements, funding, budgeting, storing, issuing, cataloging, standardizing, and contracting functions.

Requiring department means the department or agency which has the requirement for an item.
